- 8 No delay or omission of the Employer in exercising any right, power or privilege hereunder shall impair such right, power or privilege or be construed as a waiver of such right, power or privilege nor shall any single or partial exercise of any such right, power or privilege preclude any further exercise thereof or the exercise of any other right, power or privilege. - 12 Any payment made by the Guarantor under this Guarantee shall be made without set-off, withholding deduction or counterclaim. If the Guarantor is obliged by law to make any deduction or withholding from such payment, the amount due from the Guarantor in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Employer receives a net amount equal to the amount the Employer would have received had such deduction or withholding not been required to be made.

This guarantee is in addition to and not in substitution for any present and future guarantee, lien or other security held by the Building Employer. The Employer's rights hereunder are in addition to and not exclusive of those provided by law.
